Finance

- Social media is a cost-effective way to increase brand awareness.
- Focusing on Micro-Influencers
  - Increase in engagement rate.
  - Reuse the same videos on all platforms.
  - Spend less.
- This can be implemented throughout all the brands.

OVERALL STRATEGY

1. Consistent quality of our posts and hashtags to have a strong brand identity on social media.

2. Utilize micro influencers to promote us on social media.

3. Use one social media strategy and apply it to the other brands to create a consistent image of becoming the leading gifting service.
